PARENTS' FINANCIAL STATEMENT (PFS)

2008–2009 PROCESSING YEAR

2009–2010 ACADEMIC YEAR

INSTRUCTIONS

NATIONAL ASSOCIATION OF INDEPENDENT SCHOOLS

The School and Student Service for
Financial Aid is a service of NAIS.

**www.nais.org/go/sss
sssfinancialaid@ets.org**

WHAT IS THE SCHOOL AND STUDENT SERVICE FOR FINANCIAL AID (SSS)?

SSS is a service of the National Association of Independent Schools (NAIS) and is used by more than 2,400 K–12 schools and organizations across the country to help assess a family's ability to pay school costs. ETS manages the SSS program and provides support and services to families and schools on behalf of NAIS. The SSS process promotes objectivity and consistency in financial aid procedures among schools, *and is based on the premise that parents should finance their child's education to the extent they are able.*

HOW IS THE PARENTS' FINANCIAL STATEMENT (PFS) USED?

Submitting a signed PFS gives SSS permission to analyze your financial information. SSS estimates your family's ability to pay school costs based on an analysis of your 2008 income, expenses, and family assets. The schools/organizations you indicate are then sent a Report of Family Contribution (RFC) that will be used to determine your family's financial aid package. Your PFS can only be processed for schools that are SSS subscribers (refer to code list on page 10).

The information you provide will be held in confidence. Only the schools you specifically name will receive your financial information. SSS subscribers are encouraged to keep this information private, allowing access to as few people as possible. Statements in the SSS confidential files will be destroyed on October 15, 2009.

WHO MAKES FINANCIAL AID DECISIONS?

The financial aid administrators at each school, not SSS, make decisions about financial aid. Contact the school if you have questions about your child's financial aid grant.

HOW MUCH DOES IT COST TO HAVE MY INFORMATION SENT TO SCHOOLS?

The costs are \$24.00 for the first school/organization you choose, \$13.00 for each additional school, and \$13.00 if you request a family report. These fees are nonrefundable. Include your payment in the return envelope with the completed PFS form. Do not send cash. If no fee is included, your form will be returned to you.

WHAT IF I CANNOT AFFORD TO PAY THIS FEE?

Contact the school to which you are applying for information about the SSS Fee Waiver Program.

HOW LONG DOES IT TAKE TO PROCESS THE PFS?

Please allow at least seven days for the PFS to reach SSS, and allow two to three weeks for processing and delivery. For quicker processing of your PFS, complete the PFS Online at www.nais.org/go/sss. Online applications are usually processed within 72 hours. To overnight your PFS by courier, send it to: School and Student Service, Attn: Box 6657, 1425 Lower Ferry Rd, Trenton, NJ 08618.

CAN I CHANGE THE INFORMATION AFTER I SUBMIT THE PFS?

Yes, by following these steps:

- Give SSS permission, in writing, to make changes.
- Describe the changes and provide any new dollar amounts.
- Include the student's full name, date of birth, and current mailing address in all correspondence.

SSS will then send revised Reports of Family Contribution (RFC) to the schools you indicated on the PFS if the information you submit results in a change of \$1,000 in your total income and/or a change of \$7,000 in your net worth. *Do not send another PFS or additional payment.*

WHAT IF I DECIDE I WANT MY INFORMATION SENT TO ADDITIONAL SCHOOLS?

If you decide, after you have sent the PFS, that you want other schools to receive your financial information, please submit the Additional School Request Form (included on page 16 of this booklet) with a fee of \$13.00 per additional copy. *We must have a completed PFS for the 2009–2010 Academic Year on file before processing the Additional School Request Form.*

Additional reports must be requested in the name of the student listed in Part 1, Section A on the PFS and received by September 15, 2009. *Do not send another PFS.*

ARE THERE ANY OTHER FORMS I MUST COMPLETE?

If parents are separated or divorced, some schools may require both parents to submit a separate PFS to SSS and include financial information from each parent's spouse, if remarried. The same processing fees are applicable.

Families who own a business or farm may be required by some schools to complete the *SSS Business/Farm Statement*. Check with the school to see if other supplemental forms are required.

WHAT IF I AM NOT THE PARENT?

If you are financially responsible for the student, complete the PFS and use area 32 to include a description of your relationship to the child.

WHAT IF I HAVE MORE THAN ONE CHILD?

You can apply for aid at up to six schools for three children on a single PFS. Be sure that you list all children in items 26 and 27. If you are applying for aid for more than three students, ask the financial aid administrators at each school whether you need to complete more than one PFS. You can file your PFS Online at www.nais.org/go/sss, for up to 12 students, with no limit on the number of schools to which they are applying. **Once you have submitted your PFS, you cannot add any additional students.**

HOW CAN I AVOID ERRORS AND DELAYS?

Do not send your completed PFS to SSS before November 15, 2008.

- **Payment must accompany the PFS.** If you send a form without an appropriate form of payment, it will be returned to you.
- **Type or print carefully in ink.** If you make a mistake, correct it completely and carefully. Do not cross out or write over an entry. Do not leave smudges or extra marks.
- **Complete all items.** Do not leave any shaded or unshaded boxes blank. Enter only one amount in each box. Enter amounts in United States currency. Write only in the response boxes or answer spaces. Do not write in the margins of the PFS.
- **Provide all information that is requested.** If you send an incomplete PFS, you may receive a follow-up letter from SSS. If this happens, promptly return the follow-up letter along with the requested information. Your PFS cannot be processed until all information is received.
- **If you have an unusual circumstance to explain, use only the space provided in area 32.** Item numbers that are circled require additional explanation in area 32. If an explanation is necessary and none is given, the financial aid administrator may not consider the item, which may result in the school's determining a suggested contribution that does not reflect your family's actual financial situation.
- **Designate schools for each student.** Each student in Part 1, Section A must be matched with at least one school in item 7A.
- **Send any letters, tax forms, or other materials directly to the school(s), not with your PFS.** Supplementary information should be written in the space in area 32.
- **If you do not have actual figures for the year, give your best estimate.** Enter a zero (0) if no other amount applies. Do not enter symbols, such as >, <, ~, or N/A, or words such as "none," "same," or "unknown."
- **Round all figures to the nearest dollar.** Do not use cents. For 50¢ or more, round up; for 49¢ or less, round down.
- **If the amounts entered for this year differ by \$5,000 or more from those given for last year, explain in area 32.**
- **Do not send a photocopy of the PFS, a printout of the PFS Online, or a PFS that is torn, stained, or crumpled.** Such forms cannot be processed and will be returned to you.
- **File a new PFS for every year that you apply for financial aid.** Please submit one PFS per year, either on paper or online, not both. If you submit a paper PFS and a PFS Online, you will be charged for both. There are no refunds for duplicate PFSs.
- **Check with each school for application deadlines and abide by them.** SSS will not process PFS forms received after September 15, 2009. School deadlines will typically fall much sooner, between December 2008 and March 2009.
- **Sign and date the PFS.** Forms without a signature will be returned to you.
- **Keep a copy of your completed PFS.** SSS will not supply copies, and the schools to which you are applying may ask you questions that require you to refer to your copy.

This area may be used for calculations and notes.

If you have additional questions call the SSS Helpline at:

**(866) 387-2601 between 8:00 A.M. and 5:00 P.M. Eastern Standard Time,
Monday through Friday.**

- 2 Give the grade that the student will enter in 2009–2010. Use PK for pre-kindergarten, JK for junior kindergarten, KN for kindergarten, P1 for pre-first, and PG for postgraduate. If no grade is entered, a grade of 9 will be assumed. If student is applying to both boarding and day school, check both boxes.
- 3 Indicate the relationship of the parent(s) or guardian(s) listed in item 6 for each student. This may be different for different applicants. Same-sex couples should check boxes 1 and 3 or boxes 2 and 4, as appropriate.

Do not list a school more than once.

If you wish to receive your own report, enter Family Report and the SSS code 9000 and include payment of \$13.00.

Use the list of SSS codes included in the back of this booklet. If the desired school/organization is not included in the list of SSS codes, contact the school/organization for the code. Do not list colleges or universities. SSS mails reports only to schools with assigned SSS codes.

If you are entering more than six recipients, complete the Additional School Request Form (ASR) on page 16 of this booklet. Schools listed on the ASR will receive your SSS information after schools listed on the PFS.

- 7B Forms submitted without the processing fee will be returned. Do not send cash. Amount of payment is based on the number of schools requested (plus Family Report, if requested), not the number of student applicants.

Enclose check or money order payable to School and Student Service for Financial Aid: \$24.00 for one school and \$13.00 for each additional school. A family report is an additional \$13.00.

PART II: You must sign and date your form to authorize processing. SSS will return your PFS to you if it is not signed.

AUTHORIZATION TO CONVERT YOUR CHECK TO AN ELECTRONIC FUND TRANSFER DEBIT.

By sending your check to SSS, you authorize our bank to use information on your check to make a one-time electronic debit to your bank account for the amount indicated on your check. Your check will be converted into an electronic fund transfer and then destroyed as a security measure; therefore, a copy of this check will no longer be available to you. "Electronic Fund Transfer" is the term used for the process by which we electronically instruct your bank to transfer funds from your account to our account, rather than processing your paper check. Since your payment will be presented electronically, it will be clearly referenced as an EFT transaction on your bank statement. **Please be aware that your bank account may be debited as soon as the same day we receive your payment. If you do not have sufficient funds in your account, an additional service fee of \$20.00 will be electronically debited from your account.**
