

CCA Volleyball Rules and Expectations

- 1. Be respectful.** Players are to be respectful of teammates, coaches, officials, and opponents at all times. Disrespect and drama will not be tolerated.
- 2. Be at scheduled practices and games.** Unexcused absences are unacceptable. Parents should notify me (in writing...via text or email) if absences are anticipated. If sick doctors' notes should be turned in.
- 3. Give your all.** We will play like we practice, so it is very important to give 100% effort at all times. Be open to correction and willing to learn from mistakes.
- 4. Be a good example for others at all times.** We are to honor the Lord at all times in all places...on the court and off the court. Misbehavior in class will not be tolerated, and players must make passing grades in order to play.
